A SOMMELIER / ASSISTANT SOMMELIER

Restaurant Pastorale is not just any two-star restaurant. It is an experience that unfolds before you for several hours in the majestic setting of an old rectory house from 1830. A place where all the senses are gently stimulated, and where top gastronomy, contemporary art and peaceful greenery subtly flow into one another.

Pastorale has a unique and innovative range of wines and non-alcoholic drinks, with infusions and home-made fermentations. The wine list includes 300 different domains, with an emphasis on Europe. 100 wines can be served by the glass. There is also a fine collection of Belgian craft beers, an extensive digestives menu and an exceptional collection of gin and whisky. In 2012 the restaurant was awarded the title 'Best wine list' by Gault&Millau.
